General Registrar's Report

Because of the moving of 501 from the Colonial Beach High School to the Colonial Beach Town Center. We will have to issue new Voter Registration cards with the Town Center location. After this election and the move back to the Colonial Beach High School will require sending new Voter Registration Cards to all Registered Voter os 501.

The estimated cost of \$6,000.00 for both mailings. Dawn Jenkins worked hard with ELECT trying to get permission to just send post cards which would reduce the cost to about \$1,000.00.

Old Business

We are on track for the April 21, 2026 election. Training is today at 2:30 in the EMS training room. We do have some new EO's and are building up our pool of EOs.

New Business

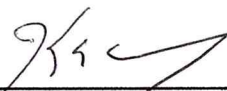

Finished up our discussion of the added cost of sending out the new Voter Registration Cards. We thanked Dawn for her hard work in this upcoming election.
