General Registrar's Report

The General Registrar Community is very frustrated with the lack of guidance from ELECT. One of the concerns is that we will need our V-Drives back from the Clerk of the Court in time to have them programmed for the Early Voting for the August 4th Primary. Also of note we are over budget with the mailing of the Voter Registration Cards. Dawn Jenkins has notified the Acting County Administrator.

Old Business

We are on track for the April 21, 2026 election.

The issue of the 501 Voter Registration Cards because of the moving of the Polling Place from the Colonial Beach High School to the Town Center for this election was a cost of appoxment of \$3,000 and 300 - 400 cards were returned to sender or not received by the Voter.

New Business

The Annual Evaluation of the General Registrar Dawn Jenkins.

We agreed to cancel our August Electoral Board Meeting. It will fall during the Post Election Canvass.

We also regularly cancel our July Electoral Board Meeting since it falls close to 4th of July. If needed for the August 4th Primary we may call a special meeting.

Adjournment

Motion made to adjourn by Barry Millward and seconded by David Lorms.

The meeting adjourned at 10:44 a.m.
